

Château BEAULIEU 2020

Soil: Clay and limestone

Yield: 45 hl / ha

Grape variety: 80% Merlot 5 % Cabernet Sauvignon 5% Cabernet Franc 10% Malbec

Area: 7 hectares

Production: 60,000 bottles

Average vine age: 30 - 35 years

Planting density: 5000 vines / ha

Vineyard management: Simple & Double Guyot

Harvest: careful sorting table

Vinification: Maceration from 25 to 30 days
Temperature maintained between 25 and 30 °

Ageing: Partly aged in stainless steel and partly in French oak barrels for 3-6 months.

Tasting Note

A fragrant and perfumed nose where notes of blackberries, black cherries, blueberries and crushed rose petals emerge. On the palate it's fluid with fine tannins. A pure, harmonious, sensual red wine.

Keep
5-10 years

Temperature
18 °

Alcohol by Volume
14. °
